**MOTION TO WITHDRAW**

**NOW COMES** the Department of Environmental Services, Water Division ("DES"), by and through the DES Legal Unit, and files this Motion to Withdraw the captioned matter, and in support thereof states as follows:

1. This matter was originally filed as a proposed administrative fine based on information and belief by Division personnel that improper repair or replacement of a septic system and/or the placement of a dry well violated RSA 485-A and New Hampshire Administrative Rule Env-Ws 1003.

3. I certify that a copy of this Motion to Withdraw was sent this 23rd day of March 2005, to Raymond St. Laurent at 211 Dowboro Road, Pittsfield, NH 03263. No objection is anticipated.

**WHEREFORE**, the Division respectfully requests that the Presiding Officer:
